

PLEASE CALL 625-7000 TO OBTAIN A PERMIT APPLICATION

November 20, 2009

Fee Change Notification

Dear Business or Building Owner or Manager,

This notice is to notify you that the Fire Code required *permit, registration* and *filing* fees have recently been adjusted and are now in effect. Fire Code fees have not changed for several years and a fee study revealed that it was time for a change. You may be interested to know that while some fees increased moderately, some also decreased.
